

The Pastor's Pen... January/February 2026

Hopes for the Year Ahead

As we enter a new year, I invite you to think about your hopes for our church at this moment in time. Imagine what you hope our church would be a year from now. Make a list. Do you hope to see our church grow? Do you hope to see our church become healthier? Do you hope to see more young families, young adults, and young children? Do you hope to see our church making a positive difference in people's lives? Do you hope to see our church find new ways to love and serve our neighbors? Do you hope to grow in your own walk with Christ?

This past November, our Church Board led us in taking a hard look at our current and long-term financial needs. They made several suggestions of ways we might be able to make positive changes toward long-term sustainability as a non-profit organization, and they invited each of us to share our thoughts. The Board is continuing to work hard at discerning how best to move forward, and your feedback has been a valuable part of that process.

However, Church Board initiatives are only one piece of the work that we need to do in order to do more than simply continue to exist into the future...in order to actually be the church that God calls us to be. Here are some important questions for each of us to ask and answer: What is it that we are trying to sustain and why? Who has God called us to be?

Consider these words about God's purpose for His church from chapter 4 of Paul's letter to the church in Ephesus.

¹ *Therefore I, a prisoner for serving the Lord, beg you to lead a life worthy of your calling, for you have been called by God.* ² *Always be humble and gentle. Be patient with each other, making allowance for each other's faults because of your love.* ³ *Make every effort to keep yourselves united in the Spirit, binding yourselves together with peace.* ⁴ *For there is one body and one Spirit, just as you have been called to one glorious hope for the future....*

¹¹ *Now these are the gifts Christ gave to the church: the apostles, the prophets, the evangelists, and the pastors and teachers.* ¹² *Their responsibility is to equip God's people to do his work and build up the church, the body of Christ.* ¹³ *This will continue until we all come to such unity in our faith and knowledge of God's Son that we will be mature in the Lord, measuring up to the full and complete standard of Christ....*

¹⁵ *[We] will speak the truth in love, growing in every way more and more like Christ, who is the head of his body, the church.* ¹⁶ *He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.*

While we wait for further guidance from those whom we have called to lead us, I encourage you to join me in leaning into the guidance God has already given us through this Scripture and others. As I reflect on Paul's words above and on what it means to be a healthy church, I want to suggest five resolutions for each of us to embrace for the coming year.

- 1) Prioritize Relationships (over of the “rightness” of our cause, views, or preferences).
- 2) Practice Humility, Forbearance, and Grace (instead of insisting that our interests and “rights” should be considered above all else).
- 3) Pursue Understanding (in place of assuming, judging, and complaining).
- 4) Promote Unity and Peace (instead of contributing to division within the Body).
- 5) Participate in Positive Changes (instead of remaining on the sidelines).

If we each commit personally to these goals, I believe that will go a long way toward moving us closer to being the church God has called us to be: a church that is healthy and growing and full of love... a church that is growing in every way more and more like Christ.

Pastor Mark

SMART COOKIES PRESCHOOL NEWS

Ms. Amy's 4/5-year-old class

Happy Winter! December was a very busy month for our Preschool. We have been continuing to learn our letters and numbers. We have started to learn about the penny and the nickel. We have been working through the "Bee" Attitudes but took a break to learn about the Birth of Jesus.

On December 16th, we had our Polar Express/Pajama Day activities.

On December 18th, we had our Christmas Program. The students performed the "Christmas Through the Eyes of a Preschooler". The children sang songs, held up the letters to spell Christmas while Ms. Amy read a poem with it, played handbells, enjoyed Mr. Sam singing "*You're a Mean One Mr. Grinch*", and then having a time of refreshment and fellowship. The children and families enjoyed this time together.

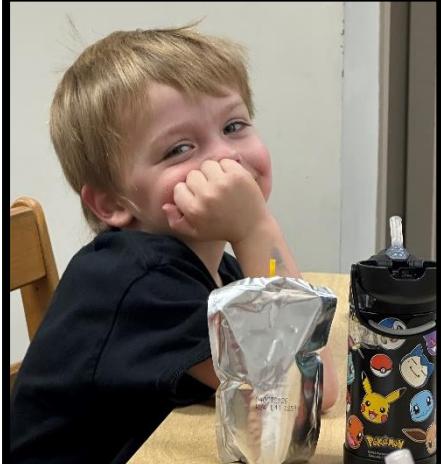

On December 18th we had our Christmas Party and gift exchange. After a very busy week before Christmas, we all enjoyed our break.

The students have been enjoying using their Chromebooks to review letters and numbers learned.

For January, the 4/5-year-old class will begin to learn sight words, basic addition and subtraction, and other Kindergarten concepts. The month of February we will be busy celebrating Dental Hygiene Month, Valentine's Day, Groundhog Day, the 100th Day of School, and Dr. Seuss's birthday.

Sincerely,
Mrs. Amy

Welcome Back, Smart Cookies!

What a joy it has been to welcome our young learners back to school after the holiday break. They returned with open arms, big hearts, and the brightest smiles—ready to learn, play, and grow together. Their excitement has filled our classrooms with warmth and energy, reminding us once again what a gift it is to guide them each day.

A Joyful January Ahead

As we step into a brand-new year, our preschoolers have jumped right back into routines with enthusiasm. From morning songs to hands-on learning centers, they are eager to explore, discover, and share their ideas. January is always a month of fresh beginnings

Welcoming Our Friends from Meno Haven

We are delighted to share that our beloved grandmas and grandpas from Meno Haven will be returning for a special visit this month. These intergenerational moments are treasured by our children—full of stories, laughter, and gentle connection. We look forward to another meaningful time together.

Parent-Teacher Conferences will begin on January 20. This is a wonderful opportunity to celebrate your child's growth, talk about

your child's progress, strengths, and joyful moments in the classroom

Strengthening communication between families and teachers

Ensure your child feels supported both at home and at school

To my church family,

I want to offer my heartfelt thanks to everyone who has surrounded my family with such love during this difficult time.
To my church family, thank you for praying over us, checking in, and showing up in ways that reminded me of God's comforting presence. Your kindness has carried us in moments when we needed it most.
To the preschool committee, your generous donation and your prayers touched me deeply. In the middle of grief, your thoughtfulness felt like God's gentle hand reminding me that we are not walking this alone.
And to my preschool parents—thank you for every message, every hug, every kind word. I have read each one with joy in my eyes. Your encouragement has been such a blessing, and I am truly grateful for the way you have held my family in your hearts. Your love has reflected Christ's care, and my family and I are so thankful.
